

## Wrangell Parks & Recreation COVID Safety Mitigation Measures Matrix

Approved February 8<sup>th</sup>, 2021

**INDOOR:** Masks are required regardless of risk level except for in the following circumstances: while swimming, eating, physically exerting oneself or showering in the locker room. Capacity limits do not include staff.

**PRIVATE RENTALS:** Maximum number of persons follow the capacity restrictions listed in the matrix below. Numbers may be adjusted depending on the style of event. If including food, it must be served (no buffets, salad bars or beverage stations) with spaced seating; a representative from the rental party must agree to monitor the event to ensure mitigation measures are adhered too. Rental equipment will be limited to avoid more frequent contact with shared surfaces. Any equipment that is shared should be disinfected frequently.
